Newsletter 2002_6

10th November 2002

Hello again folks

Since my last newsletter, several important items have been brought to my attention.

Betty Rolls is organizing a Christmas morning tea at the clubrooms on Tuesday 10th December 2002. The Christmas Hamper will be raffled. Everyone is asked to bring a plate with the delicious taste delights that you have prepared in your own special way.

Betty has asked for donations to help fill the hamper. So those surplus foods and appliances at home can become a treasure item for the lucky winner of the hamper this year. So bring what you have, or, do not have but can get, along to the club in the next week or so, to place in the hamper box inside the clubhouse.

Ladies Midweek Tournament is in the limelight this week. Twelve playing members from Majura Club competed in this Thursday competition. The prize was taken out by Betty Rolls and Cheryl Jensen, an ex Majura member. Congratulations Betty and Cheryl. But having many players from Majura in this tournament, although not representing Majura, says plenty about keen and competitive members belonging to our club. Well done everybody.

Have you noticed that the clubhouse has a certain sparkle lately? From the state it was in, a busy little volunteer cleaned it up in 2 hours. Let's keep it that way, especially now, as the rooms are used by several paying groups. ie (Coaching classes, Tennis ACT tournaments). Any ideas, suggestions on how it can be kept that way without too much angst on any one person please let me know?

And a big warm welcome to three new members: Jane Reynolds, Luna Ryan and Kell Robinson. We hope you settle in quickly and enjoy the sport and our friendship.

Some members remain un-financial although we are nearly two and a half months into the 2002-2003 financial year. We must get subscriptions paid early to complete our administrative work and to pay the ongoing accounts on time. If member renewals are not paid by 30th November 2002 those players will have to pay visitor fee rates (\$3.00 per day) unless an exemption is sought from the treasurer for late payment.

For those of you intending to play or practice on days outside the regular Club mornings, Treasurer, Christa Tickle has had some additional keys cut for the gate and clubhouse. Now, for a fee you can rent your own key to keep while you are a financial member. Christa will provide you with details.

That's all folks.

Joe, Secretary
