Newsletter 2003_1

13 May 2003

Hi there folks,

There are a few events on our tennis club calendar that I would like to draw to your attention.

The first involves one of our match/social days. Next Sunday 18 May Bookham Tennis Club are traveling into town to play us in a friendly match from 10am to 3pm. Three courts will be required, leaving one court available for general membership use. Best of all there will be a very tasty BBQ afterwards. Members are requested to contribute with a salad and/or a dessert. Our chief organizer for this event is Betty Rolls, so please get in touch with Betty on 61411637 if you are interested in attending or playing. Any member who wishes to be considered part of our club team should put their name forward. A team will be selected of the list of members interested.

The second item of news I have for you is the date for our next garage sale. The committee has selected Saturday the 5th of July 2003. Clothes and books will be on sale. If you do have any items that would be suitable for the garage sale please bring them to the club.

The committee is drawing up a roster to staff the garage sale. If you could spare two or more hours on this date to help please get in touch with Betty Rolls. Again her number is 62411637.

More news next month, including some photos of our match with Bookham.

Yours in tennis,

David Wentworth-Perry
